"I chose the Build-a-Bear package for my wedding on the 30th June 2022 - the kids loved it!! They all got stuck in and gave the adults a break. Would recommend using this team for your special day. Thank you so much for being a part of my day."

"We had Mini Mania attend our wedding and oh my god, they were amazing! We had them for 3 hours during the evening and our only regret was not having them for longer! We have an autistic son and they were really great with him and we do really appreciate it! Thanks again! Anyone thinking of booking please do! x!"

"Great entertainment for kids at a birthday party! Parents can have a chat and drink whilst kids are supervised and having fun on the bouncy castle. Very professional and friendly staff, good prices too.."
